

Morton Safe-T-Salt

Morton Safe-T-Salt Attributes:

Morton® Safe-T-Salt® provides a tried-and-true melting solution at lower cost than most specialty melters:

- Clears ice and snow from driveways, walkways and steps.
- Provides traction for getting out of snow drifts; can be stored in vehicle trunks to provide extra weight and improve driving stability.
- Scientifically proven to melt ice and snow in normal winter temperatures (5°F and above)

The ingredients in Morton® Safe-T-Salt®:

- Sodium Chloride (NaCl)

Available in 10#, 50# & 80# Bags

2927 Harrisburg Ave NE, Canton, Ohio 44705 1-800-686-7439
